Fees & Charges

If you withdraw your request for service after it has been accepted and prior to service completion you will be charged a \$150 order withdrawal fee.

All service modification requests such as speed upgrades, IP address changes or data plan upgrades will incur a \$25 modification fee per instance.

A call out fee will be charged where a technician is required to attend your site: A fee of \$110 per hour or part thereof during Business Hours, \$143 per hour or part thereof 5.00pm - 8.00am Monday to Friday, excluding Public Holidays, or \$176 per hour or part thereof for all other times.

All requests for relocation of service will be processed as a cancellation and a new connection. Early termination charges will apply and you will be required to start a new fixed term contract.

Service Availability & Pricing

Service availability is dependent on geographic location. Depending on your area, you may have fibre optics installed to deliver the NBN, a combination of Copper and Fibre optic or your area may use Hybrid Fibre Coax or Fixed Wireless technology. NBN access technology is determined by the NBN Co roll out strategy. To determine the access technology at your location please contact our Customer Centre for further information.

NBN Speeds

Currently Bendigo Bank Telco offers NBN plans delivered to the customer site via the NBN Co fibre access service, Fibre To The Node, Fibre To The Building, Hybrid Fibre Coax or a Fixed Wireless service.

Services supplied over Fixed Wireless Technology are limited to speeds of 25/5Mbps.

The actual speed of your service will vary according to the nature and quality of the connection at the customer site, network utilisation and the number of end users accessing the network at any one time, the end user's hardware or software and the web sites the end user is visiting.

Installation

These plans include a \$0 connection for a standard installation.

Non-standard installations may incur additional charges. NBN Co will advise you of any such charges prior to installation. Your approval and acceptance of these charges will be sought prior to work commencing.

An installation charge of \$330 applies to customers connecting a Fibre to the Node/Building service where there is no active phone service connected to the premise.

An installation charge of \$300 applies to customers connecting an NBN service where there is no existing NBN infrastructure.

An installation fee of \$330 applies to any second or subsequent NBN installation.

You must obtain the consent of the property owner to have the NBN installation performed. If you are not the property owner, you will need to obtain the property owner's written consent (dated and signed), and be able to provide that to Bendigo Bank Telco upon request.

The cabling that is required in your premises beyond the network termination device is your cost and responsibility, as is the provision of a suitable 240V AC power outlet
