

SUMMARY OF YOUR RIGHTS AND OBLIGATIONS

Important Customer Information:

1. Standard Form of Agreement

The Standard Form of Agreement (SFOA) sets out the terms and conditions under which Bendigo Telco supplies telecommunication services (the Services) to its customers. Under the Telecommunications Act 1997, Bendigo Telco must lodge the SFOA with the Australian Media and Communications Authority (AMCA).

The SFOA is binding on Bendigo Telco and you, the customer, from the time we accept the application from which you completed in order to become our customer for the relevant Services (Application Form). Regardless of whether you have read the SFOA, you must comply with the SFOA.

The SFOA does not apply to the extent that your Application Form states any special terms and conditions for a particular service. For example, in some instances, Bendigo Telco may agree to provide Services to you for a fixed or minimum term greater than 30 days (Fixed Term). In such cases, the Application Form will state the specific detail of the agreement between you and Bendigo Telco. Our agreement is otherwise governed by the SFOA.

If we have agreed to provide Services to you for a Fixed Term, and neither you nor Bendigo Telco cancel the Services at the end of the Fixed Term, Bendigo Telco will continue to supply the Services to you on a month-to-month basis.

For information about your rights and obligations under the SFOA, please review the SFOA.

2. SFOA Summary

In accordance with the Telecommunications (Standard Form of Agreement Information) Determination 2003, Bendigo Telco must give a summary (this Summary) of the SFOA to all new customers. This Summary provides you with an overview of important terms and conditions in the SFOA. It does not deal with all of, or override any of, the terms and conditions of the SFOA.

Up-to-date copies of the SFOA, this Summary, including variations, can be obtained from Bendigo Telco's website www.bendigotelco.com.au or from Bendigo Telco office. Copies of this Summary in other languages, braille, audio or large print format are available upon request from Bendigo Telco.

This Summary is correct at the time of printing, but may be updated from time to time to reflect changes to the SFOA which we are permitted to make in accordance with its terms or as otherwise required by law.

3. Changing the SFOA

Bendigo Telco may need to change the terms of the SFOA, and therefore our agreement with you, due to circumstances beyond our control, including changes in law, urgent changes required for security reasons, changes by one of our suppliers (Supplier) of the terms on which they supply services to us or to the functionality or nature of a Service or its underlying technology.

Our right to vary the terms of our agreement and your rights to terminate our agreement if we do so are set out in clauses 2.5 to 2.7 of the SFOA. The ways in which we may give you notice to you of such variations is set out in clause 16.1 of the SFOA.

If we elect to make changes for our own purposes we will give you at least 30 days prior notice of any changes we elect to make.

If any changes made to your agreement will cause detriment to you, for example, result in a material increase in the fees or unreasonably change the characteristics or functionality of the Service we initially supplied you are entitled to cancel your agreement in accordance with the above clauses.

Fees and Administrative Charges may apply to connection, reconnection, disconnection, access, usage (including timed and untimed calls), equipment, content provided with usage, number reservation, maintenance, repairs, and other fees associated with the supply of the Services.

Fees may also vary depending on the type of call (voice or data), the type of customer (residential or business), the volume of calls and any specific terms agreed upon by you and Bendigo Telco as evidenced in your Application Form. Any discounts, credits, rebates or special rates which may apply to you will be stated in the Application Form.

Bendigo Telco may vary any Fees or Administrative Charges in accordance with our rights to change the SFOA as set out in clauses 2.5 to 2.7 of the SFOA.

6. Invoices

Unless otherwise agreed or notified, Bendigo Telco will send you a monthly invoice for the Services you receive, including GST (if applicable), but interim invoices may be issued at anytime. The invoice contains the amount due to be paid, the date on which the amount is due and how you can pay the amount due (by credit card, B-PAY, cheque or money order).

Payments made by credit card standing authorisation with AMEX or Diners Club will be subject to a surcharge of 1.5%. Ad hoc payments made by credit card (not standing authorisation) will be subject to a surcharge of 2.5%.

Periodic fees, including connection and service fees (if applicable) are invoiced in advance while usage fees, including call charges, and other non-periodic fees are invoiced in arrears. You are liable to pay any additional amount if you have been undercharged.

Invoices issued via post / mail will incur a \$2.00 plus GST charge per invoice.

Invoices must be paid in full by the due date otherwise you may be charged interest on the unpaid amount until the amount is paid in full. If you pay your invoice by direct debit and there are insufficient funds available to pay the invoice, or if payment is made by cheque and that cheque is dishonoured, you may be charged an Administrative Charge. All such charges are set out in the Schedule of Charges.

If your invoice continues to be unpaid in full 21 days after the due date, as it appears on your original invoice, Bendigo Telco may limit, suspend, disconnect or cancel your Services and after 30 days, Bendigo Telco may vary or remove any discounts provided to you.

You may dispute an invoice within 6 months of the date of the relevant invoice.

7. Prepayment

Bendigo Telco may require you to pay the estimated cost of an invoice period in advance if we have reasonable grounds to believe that you may be a credit risk. We will require such a prepayment if, for example, you have no credit record or history of residence in Australia, or if we have evidence that you have failed to pay outstanding charges on a previous account in your name for this type of service. We may cancel, suspend or disconnect a Service if you do not provide such prepayment.

8. Equipment

Any equipment Bendigo Telco provides to you for the supply of the Services and which we do not sell to you (the Service Equipment) remains our property.

Any equipment sold to you (the Purchased Equipment) will become your property when you have paid for it in full. Loss or damage to the Purchased Equipment is at your risk upon delivery of the Purchased Equipment to you.

9. Customer Service Guarantee

To the extent that Bendigo Telco provides its customers with a standard telephone service (as defined in the Telecommunications (consumer Protection and Service Standards) Act 1999) and specified enhanced call handling features, it must comply with the Customer Service Guarantee Standard (CSG). The CSG sets out minimum performance, CSG does not apply to mobile phone services, customer equipment or to customers that have more than five telephone services.

If Bendigo Telco does not meet the CSG performance standards, you may be entitled to receive specified monetary compensation.

The CSG also sets out circumstances in which Bendigo Telco may be exempt from meeting the CSG standards, including where you unreasonably refuse us access to your premises or if you miss an appointment without providing us reasonable notice. For more information about the CSG, see the ACMA's website at www.acma.gov.au.

10. Limitation, suspension, disconnection and cancellation of the Service

The term of the SFOA continues until you choose to cancel the Services or we exercise our right to limit, suspend, disconnect or cancel the Services. You must give Bendigo Telco 30 days written notice if you want to cancel the Services, unless you are otherwise entitled to cancel the Services for Bendigo Telco material breach of our agreement or where you are entitled to cancel the Services in accordance with clauses 2.5 to 2.7 of the SFOA because we have elected to vary the terms of our agreement.

Bendigo Telco may limit, suspend, disconnect or cancel the Services in a number of circumstances such as: you request us to do so; we are required by law to do so; there is an emergency; we have reasonable grounds to believe a threat exists to the security or integrity of our network or that provision of Services may cause, death, injury or damage to property; for network maintenance, repair or restoration; you do not pay Fees or invoices by the due date; you do not provide a prepayment as requested; you engage in fraud or other illegal conduct; you become bankrupt or insolvent or we have reasonable grounds to suspect you are a credit risk; you vacate the premises to which we supply the Services; you do not provide access to your premises for repairs or maintenance upon our reasonable request; you do not repair or maintain your own equipment; your equipment interferes with our network or you fail to comply with the "Acceptable Use Policy" which applies to your Service.

You are still required to pay any Fees incurred before the limitation, suspension, cancellation or disconnection of the Services plus any minimum ongoing fees during the suspension, and, where the suspension, cancellation or disconnection was the result of an act or omission or other conduct by you in breach of our agreement, an Administration Charge may apply if you want the Services reconnected.

On the cessation or termination of the supply of Services you must return the Service Equipment to us or make it available for collection by us.

11. Early termination fee

If we have agreed to provide Services to you for a Fixed Term and you cancel the Services before the end of the Fixed Term, you must pay the unexpired portion of any periodic Fees in the form of an early termination fee, as stated or calculated in accordance with the Schedule of Charges for the relevant Services. You will not be liable to pay an early termination fee where you are entitled to cancel the Services for Bendigo Telco's breach of our agreement or because we have elected to vary the terms of our agreement in accordance with clauses 2.5 to 2.7 of the SFOA.

12. Transfer of the Services

If you want to transfer to our Services you authorise us to sign all forms in relation to the transfer on your behalf; to provide written notification to your previous Supplier; and pay all amounts due to your previous Supplier up to the date of transfer.

If you want to transfer any of the Services to another supplier, you will remain liable to Bendigo Telco for any Fees due up until the date of transfer for the supply of the Services. Any unpaid amount must be paid in full within 7 days of our invoice for such Fees.

13. Indemnities

loss of damage to the Service Equipment; any claim by the property owner in relation to our entry onto the premises at which you receive the Services; any amount claimed against you by a previous supplier, current supplier or another person in relation to the supply of previous telecommunication services or the Services.

14. Limitation of liability

To the extent permitted by law, Bendigo Telco does not warrant that the Services will be free of interruption, delays or faults of any kind.

Bendigo Telco provides the Services to you subject only to the terms, conditions and warranties contained in the SFOA and those which are implied by law and cannot be excluded. For example, if the service we supply to you is of a kind ordinarily acquired for personal, domestic or household use then it may be implied by law that:

- the service must be provided with due care and skill; and
- any goods supplied in connection with the service will be reasonably fit for the purpose for which they are supplied.

If we breach a term, condition or warranty that is implied by law and cannot be limited or excluded then we will be liable for that breach in accordance with the law applied in the courts having jurisdiction over this Agreement. Where we are permitted by law to limit our liability for that breach, our liability to you is limited:

- if the breach relates to the supply of equipment, the repair or replacement of the equipment, the supply or equivalent equipment or the payment of the cost of repairing or replacing the equipment or supplying equivalent equipment; or
- if the breach relates to the supply of a service, resupplying the service or payment of the cost of having the service resupplied.

Our other rights to limit or exclude our liability to you are set out in clause 12 of the SFOA.

You must inform us of any changes to your personal information and supply true and correct information.

If you require commercial or consumer credit, you also agree that we may use your personal information for the purposes of obtaining a credit report which will help us to assess your application for credit and also to assist us to collect any overdue payments.
